VIETNAM INTERNATIONAL WATER WEEK - VACI2019

Joined with the 21st Century Watershed Technology Conference and Southeast Asia SWAT Workshop

Hanoi, 22nd - 25th March 2019

VACI2018 - Thank You For Being Part of Our Best VACI To Date!

The Vietnam International Water Week-VACI2018, held on 3-7 March 2018 with 10-year anniversary of its host organization-National Central for Water Resources Planning and Investigation (NAWAPI), bringing series of some 100 exciting sessions including hot issues workshops, exhibitions, business meetings, training courses and social activities featured with its central theme “Water Partnership for Sustainable Development”. It saw US\$ 500 million in total value for the announcements on planned water projects, tenders, investment and MOUs. The week attracted some two thousands of leaders, keynote speakers, participants and visitors from 30 countries spanning the government, development organizations, academics, companies, and media for discussion, exchange and networking. Water biz forum with its targeted programs such as water startup and innovative forum, donor consultative meeting, PPP forum, etc.. were also received high attention and appreciation from participants.

Here's a glimpse into the happenings over the span of VACI2018:
